Comment from CEO Sana Alajmovic

"Enzymatica's "The most important event of the quarter is the partnership with STADA. The agreement marks an important breakthrough for Enzymatica and opens opportunities in one of Europe's largest self-care markets.

Net sales for the quarter amounted to SEK 11.4 million (12.3). At the same time, results improved compared with the corresponding period last year."

Significant events during the quarter

- In line with the communication in the fourth-quarter report, the Board of Directors has initiated a review of the company's financial targets to ensure they align with the company's strategy, priorities, and long-term growth ambitions.
- On 31 March 2026, Enzymatica announced a partnership agreement with STADA Arzneimittel AG regarding the launch and distribution of ColdZyme technology in Germany and Austria. The commercial impact is expected to materialize gradually starting from the 2026/2027 cold and flu season, when the product will be marketed under STADA Arzneimittel AG's own brands.

Significant events after the quarter

- No significant events have been reported after the quarter.

Other events during and after the quarter

- On 8 April 2026, Enzymatica AB entered a three-year loan facility totalling SEK 8 million.
